## 2019 State Solo & Ensemble South Festival Schedule

Dear colleagues,

How wonderful to work in an area where there are so many talented music students! It is a credit to you that so many students attend this festival. It is your efforts, combined with that of the students (and in many cases, the private studio teachers), which produces such a packed schedule!

I am very excited to be moving our State Solo & Ensemble South Festival to the beautiful new Provo High School campus. Their new campus is located at 1199 Lakeshore Drive in Provo. Kenny Wisner and Eric Nix along with the PHS Administration are preparing to host a wonderful festival.

At this point, no official changes to the schedule will be made. If necessary, you may also switch with another entry from within your school or another school.

### **FESTIVAL OPERATION**

#### Performance Rooms

- Piano Solos are in the Choir Room.
- Percussion ensembles are in the Band Room. Mallet Ensembles and Percussion Solos perform in the Orchestra Room. Percussion entries should coordinate instrument needs with Eric Nix ([erickn@provo.edu](mailto:erickn@provo.edu)).
- Chamber Choirs are in the Auditorium and will warm up in the Drama Room.
- All other performances are on the 2nd floor. String events will be in A Hall, Wind/Brass events in B Hall, Vocal events in C Hall.

#### Practice Rooms

- All practice rooms are on the 3rd floor and can be scheduled at the info desks on the 3rd floor.

#### Parking

- Student/Parent parking or pick up/drop off is on the south side of the building (main entrance).
- Bus loading/unloading is on the north side of the building. Buses can park for the day in parking loop on the east side of the building or on the shoulder of Lakeview Pkwy on the west side of campus (see attached map).
- On the south end of campus, we have a one-way loop for pick up/drop off. The signage is not great, so please help us communicate that this is a ONE-WAY LOOP. The entrance is on the east side of campus and the exit is on the south west corner of campus.

#### Arrival

- The only doors that will be unlocked for the event are the main south and north doors. All attendees need to enter through those doors. Any exterior doors in stairwells may be used to exit, but cannot be used for re-entry. For building security and maintenance purposes, DO NOT PROP DOORS FOR ANY REASON.
- Information desks will be located at various points throughout the building (see attached map). Each desk will have a copy of the festival schedule, and a campus map to help you get where you need to go.
- If students forget to bring their own adjudicator form, forms can be printed in the main office for \$1.
- The commons/lunchroom is smaller than we had at Orem HS. It also cannot be used as a warmup area due to its proximity to other performance spaces. To reduce congestion, feel free to have groups meet in the main gym or sign up for a practice room on the 3rd floor.

#### General Info

- We love our new building and need your help to keep it looking great. Please encourage your students to be mindful of this.
- There is no guest WiFi for festival attendees. FYI, cell phone service is also very poor in our building.

- Please keep the performance hallways quiet. We have found that hallway noise can be heard clearly inside the classrooms. (A, B, C Halls and F wing surrounding the auditorium)
- We are pretty far away from restaurants, so concessions will be sold in the commons/lunchroom and the concessions area by the main gym. Vending machines will also be available.
- Any other questions you have can be asked at the information desk when you arrive.

#### Adjudication Forms and Copies of Music

All entries are responsible for providing their own adjudication form for the festival and for providing their adjudicators with a published copy of their piece with the measures numbered.

#### Cancellations/No Shows

Beginning Tuesday, April 23<sup>rd</sup>, cancellations and no shows will incur a \$25 cancellation/no show fee.

#### Chamber Choirs

Directors will check in at the info desk in front of the auditorium where they will drop off their adjudicator packet. They will need to include an SD card or USB drive in their adjudicator packet in order to receive a recording of their performance. It should be large enough to store a 15 min. performance. No back up will be provided so if the storage device runs out of space, they will not get a complete recording of their performance. After the judges are done scoring the choir, packets and SD cards/USB drives will be available to pick up at that same place they checked in.

The Provo High School Drama Room is the warm-up room for Chamber Choirs. You will have access to this room 15-minutes prior to your performance time in the auditorium. There will be a student volunteer to gather your adjudication packets and lead you to the stage entrance. Directors are responsible for providing their own adjudication forms and music packets for *both* adjudicators.

Thank you,

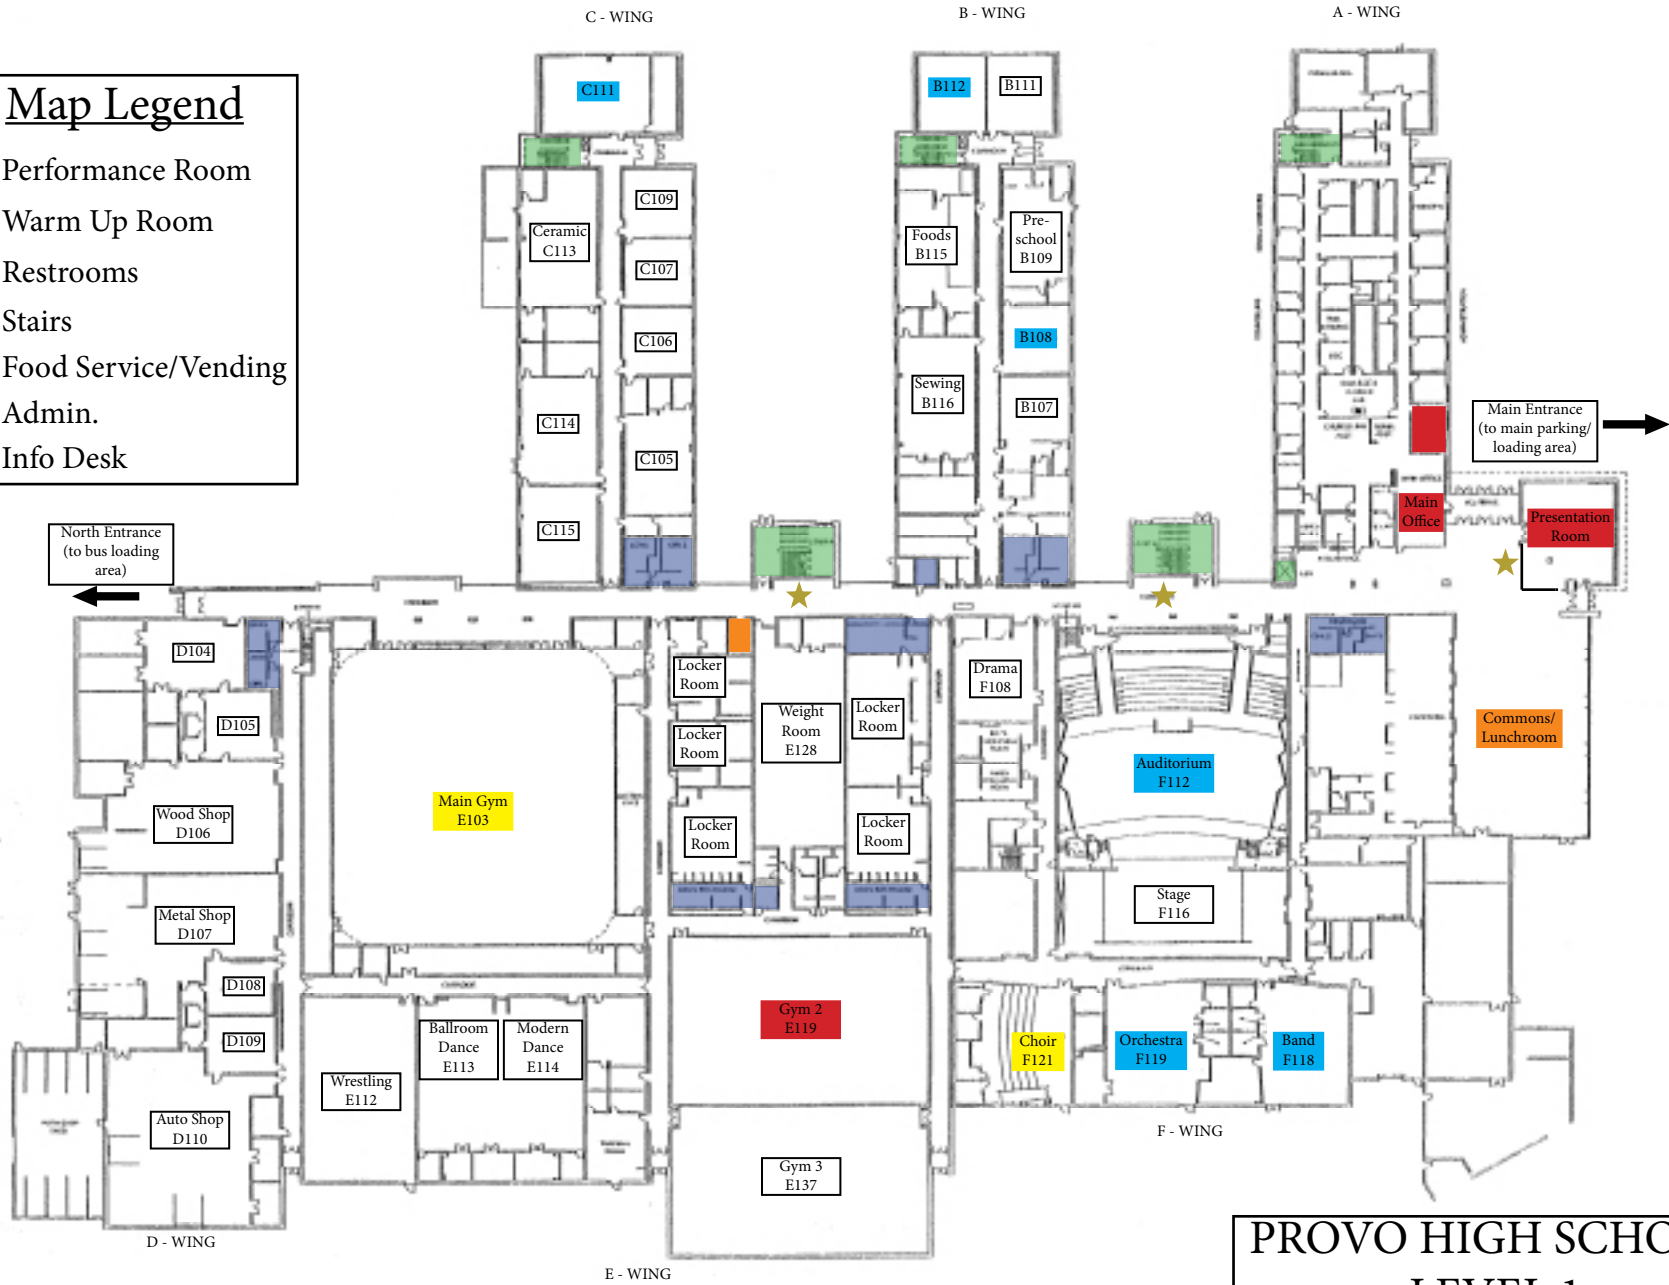

Justin Bills

South Festival Director
